

# **Previous TOOLS for CC1 for Windows version information**

## **V1.1.0**

### **Control Center**

#### **V1.1.0 to V1.2.0**

- Added support for remote control of MGX/URX from CC1.
- Added the ability to select which profiles are assigned to CC1's profile selection buttons.
- Solved some minor problems.

## **V1.0.0**

- First release version
