Rugged subs extend low response for solid sonic impact.

Subwoofers that can add serious authority to your low end.

- Painstaking selection of parts and components, optimized wooden enclosures, and a thorough reevaluation of speaker capacity take sonic performance to a new level.
- Dual phone jacks and dual Speakon connectors for input and parallel connection.
- Advanced bass-reflex design for smooth bass response
- Durable exterior with a carpeted surface, arced steel grille, and large metal handles for improved portability.
- Ideally matched to Yamaha powered mixers and power amplifiers.

Concert Club V Series
