

KMS Series

Speaker Systems

KMS-3000

KMS-2500

3-way, premium quality speaker systems.

Powerful bass output and naturally clear trebles ensure that both vocals and music are projected with exceptionally high sound quality.

High Sound Quality

- Sound quality that is up to Yamaha's high standards
 - Developed by drawing on Yamaha's Pro audio speaker experience
 - Designed and tuned by sound technicians
- 3-way, premium quality speakers with wide dynamic range for powerfully vibrant vocals and music
 - 12" (30cm) [KMS-2500: 10" (25cm)] woofer delivers deep and powerful bass output
 - 4.7" (12cm) midrange unit and horn tweeter ensure that vocals sound clear and natural and the accompaniment is high quality
 - Large bass reflex port provides wide dispersion for dynamic, energetic bass
- High quality crossover network

Large Bass Reflex Port for Wide Bass Dispersion

Bass performance gets a big boost from the large 3" (7.6 cm) bass reflex port. With ceiling mounting, the sound from the port is not obstructed, achieving ideal dispersion characteristics.
